SUVARNA BHARATHIA JUNIOR COLLEGE

2019-2021

INTERMEDIATE, MPC, 95%

SRI VASAVI VIDHYA MANDIR

2019

SECONDARY SCHOOL CERTIFICATE, 9.5 GPA

SKILL

- Java, C++, Python
- HTML, CSS, JavaScript
- SQL
- Communication
- Problem Solving
- Time Management

PROJECTS

Portfolio Website

A fully responsive and recruiter-ready portfolio website designed to showcase my skills, certifications, and internship experience. Built with modern HTML and CSS, the site features a sidebar navigation, project cards, contact form, and a professional footer. It reflects my passion for clean design and technical presentation.

- HTML
- CSS

Customer Segmentation

A hybrid machine learning and deep learning model designed to segment customers based on behavioral and demographic data. This project utilizes SAPK clustering and predictive analytics to identify high-value groups.

- Python, R
- HTML, CSS, JavaScript

INTERNSHIPS

QA Intern – Mphasis (Jan–May 2025)

- Automated testing with Selenium + Java
- JUnit, TestNG, Cucumber for BDD
- API testing with Rest Assured & Postman
- Agile methodology

CERTIFICATES

- Problem Solving with C++
- Machine Learning Online Course
- Certification on Emerging Technologies – Data Science
- Certification on Cloud Computing on AWS
